ELIGIBILITY REQUIREMENTS

The following breeds and cross-breeds are eligible: Afghan Hound, Azawakh, Bakhmull, Basenji, Borzoi, Caravan or Karwani Hound, Chart Polski, Chortai or Chortaj, Cirneco dell'Etna, Galgo Español, Greyhound, Ibizan Hound, Irish Wolfhound, Italian Greyhound, Longdog, Lurcher, Magyar Agar, Mudhol or Pashmi Hound, Pharaoh Hound, Rampur Hound, Rhodesian Ridgeback, Russian Steppe Borzoi, Saluki, Scottish Deerhound, Silken Windhound, Sloughi, Taigan, Tazi, and Whippet.

For NLCC lure coursing meetings, a "Lurcher" is defined as the offspring of a sighthound and a sighthound cross or a non-sighthound (usually, but not limited to, a herding dog or a working terrier) bred specifically for hunting or coursing. A "Longdog" is defined as the offspring of two parents of different sighthound breeds, bred specifically for hunting or coursing.

All dogs competing in NLCC-sanctioned lure coursing meetings shall be individually registered with the American Kennel Club, the United Kennel Club, the National Greyhound Association, the National Coursing Club, the Irish Coursing Club, the Federation Cynologique Internationale, the Society for the Perpetuation of the Desert-Bred Saluki, the International Silken Windhound Society, the North American Lurcher & Longdog Association (NALLA), or other NLCC-approved registry. Owners of first time entered Lurchers and Longdogs not previously registered with the NALLA or other approved registry shall pay a nominal fee of \$5 and provide registration information to the host club, which shall forward the fee and information to the NALLA.

All dogs entered in any stake must be one year of age or older on the day of the meeting. All dogs entered in any stake other than Singles must be certified either in the NLCC program or the ASFA program, or be eligible for a waiver by virtue of participation in other sighthound athletic programs.

STAKES OFFERED

OPEN: Any eligible dog that has met certification requirements.

SENIOR: At the option of the owner, any eligible dog that has met certification requirements and which has attained the age of 6 years or older as of the date of the meeting, except Irish Wolfhounds which have attained the age of 5 years or older, and Whippets and Rhodesian Ridgebacks which have attained the age of 7 years or older. Meetings in which a dog is entered in the Senior stake will not be included in the meetings counted in determining whether the dog earns any title.

SINGLES: Any eligible dog, including those disqualified to run in other stakes. Certification is not required for this stake. All Singles will run alone, will be scored pursuant to the category scoring format by the assigned judge, and will receive placements. Meetings in which a dog is entered in the Singles stake will not be included in the meetings counted in determining whether the dog earns any title.

continued

Note: Owners of dogs that have not previously run in competition are encouraged to enter their dogs in the Singles stake as a schooling experience.

Best in Field will be offered, the winner to be awarded the Fullerton Cup perpetual trophy. All dogs winning the A Bracket of the Open Stake in each breed and the previous year's winner of the trophy, will be eligible to run for Best in Field. In the event an A Bracket winner is withdrawn from this competition, the runner-up of that A Bracket may elect to run in his place. This competition will be run in the scored braces format using the category scoring system, and runners of similar speeds will be assigned to run together, drawn as randomly as practicable.

RUNNING AND SCORING FORMATS

All breeds will be run in the brace elimination format, which is a single elimination, double bracket format. All dogs are guaranteed two runs on the day. All courses will be run in braces, or singly as a bye by random draw if there is an odd number of dogs entered in a breed. If more than 8 dogs are entered in a stake, the stake will be divided into divisions, with 4 or more dogs in each division.

Dogs winning their first course will advance in the A Bracket and must continue to win their courses to advance to the finals of that bracket. Dogs losing their first course will then run in the B Bracket and must continue to win their courses to advance to the finals of the B Bracket.

The winner of the A Bracket will receive a 1st placement; the runner-up of the A Bracket will receive a 2nd placement. The winner of the B Bracket will receive a 3rd placement; the runner-up of the B Bracket will receive a 4th placement.

The judge shall declare the winner of each course at the end of the course. For identification on course, all breeds will wear red or white colored cloth collars. Loaner collars will be available from the paddock master. The Committee reserves the right to substitute blankets for collars on any breed during the course of the meeting.

All courses will be decided under the point tally scoring format. Under the point tally scoring format, the Judge shall decide all courses upon one uniform principle that the dog which scores the greater number of points during the continuance of the course is to be declared the winner. The principle is to be carried out by estimating the value of the work done by each dog, as seen by the Judge upon a balance of points according to the following scale:

(a) THE RUN-UP: Where in the run-up a clear lead is gained by one of the dogs before the first turn, 2 or 3 points may be awarded to the leading dog, depending on whether the length of the run-up is more or less than 100 yards.

(b) THE TURNS: The dog which is first to and closest in honest pursuit to each successive turn shall be awarded 1 point for that turn.

(c) THE GO-BY: Where a dog is a clear length behind his opponent and yet passes him in a straight run, then gets a clear length ahead of him before the next turn, he shall be awarded 2 points.

(d) THE FINISH: The dog which gets honestly from the final turn to the stopped lures first shall be awarded 1 or 2 points, depending on whether the length of the finish is more or less than 100 yards.

ADDITIONAL INFORMATION

Inspection will be for lameness and bitches in season only. Bitches in season and lame dogs will be excused. Spayed, neutered, monorchid or cryptorchid dogs may be entered.

Dogs not present at the time of inspection will be scratched.

Battery-powered drag lure machines with back-up equipment will be used. The lure will consist of white plastic bags.

The course will be reversed as each bracket advances.

The Club reserves the right to alter the course as required by weather and/or field conditions on the day of the meeting.

All owners must keep their dogs under control at all times, and must clean up after them. There will be a \$5 fine assessed against the owner of any loose dog on the field not taking part in a course in progress. There will be a \$15 fine assessed against owner who does not clean up after his dog.
